# September 19 Redundant Communication Drill Results

- The drill was sent by TEXT and EMAIL. This exercise served as a required redundant communications drill and the RSVP for this coalition meeting.
- Two components were responding YES (attending in person) or NO (not attending) or ZOOM (attending via Zoom) through BOTH text AND email.

## Response from All Partners:

83% completed at least one portion of the drill,  
up from 82% last month

## Response from Core\* Partners:

96.9% completed at least one portion of the drill,  
up from 90.6% last month

84.4% completed both portions of the drill, up  
from 78% last month

\*Core Partners are defined by the Assistant Secretary for Preparedness and Response as Hospitals, EMS, EMA, and Public Health
